
"The Ring"

I've had this ring since I was a child. (It was one of those pre-arranged marriages, I guesse...) It's taken all my life to grow into it.

Many have tried to steal it from me for the things it shows to the wearer.

The Ring produces such WILD VISIONS!!
Things as they would be, could be, should be... and as they NEVER COULD BE in a million years!!
The Power's Addictive...

Sometimes it's a heavy weight...
Sometimes it lifts me to the stars...
I've thot of hocking it so many times but its priceless... and so has no price.

ZONO
So I set up this side-show tent... I don't make much... but occasionally some one SEES something in the rung... something that SEEMS to do some good... to make this obcession all worth while...
Would You Like a Look?!?

I WAS TRANSPORTED TO A DIMENSION WHERE EVERYTHING WAS PEACE, GOODNESS AND LIGHT.
...IT WAS BEAUTIFUL...

...but I accidently farted during a Big Love-in and everyone expelled me to earth again!

it drove me completely CRAZY...

...to be BACK on EARTH.

I lost my JOB and ended-up spending THOUSANDS on a SHRINK...

BAD DAY, huh?
